

Support Find Your VOICE A Jennifer Smart Foundation Center

Find Your Voice is a workshop for kids that provides coaching on communications skills and helps increase self esteem, while the kids have fun putting together their own radio and TV shows.

In this one-of-a-kind program, kids get to personalize a broadcast with their own thoughts and talents, their favorite music and more. We guide them in producing something they can be proud to share with family, friends, our community, and even the world. We give them an opportunity to improve self esteem, and a platform to share their issues, talents and enthusiasm for causes.

This program is open to sick, healthy and disadvantaged kids and teens ages 7-18, regardless of financial hardship.

We can't do it without your help!

We welcome individual and corporate monetary donations, as well as in-kind gifts of new equipment and supplies for our **Find Your Voice center**. Your support allows us to meet our goal of never having to charge a child to attend the Find Your Voice program.

In addition to the sponsorship packages highlighted here, we are happy to create a custom package to fit your budget and marketing plan.

The Jennifer Smart Foundation was founded in 2009 by then 13-year old Jennifer, a veteran broadcaster who had been on the radio since the age of 6. She wanted a way to use her experience, on radio & TV and interviewing celebrities, to give back and encourage others to do the same. Her passion for helping others led to the creation of the Find Your Voice program, which helps kids and teens more effectively communicate their messages to a broader audience.

Group workshops & individual sessions take place at the Jennifer Smart Foundation's Find Your Voice Center in the Outlets at Lake Elsinore:

17600 Collier Avenue
Suite G-165
